

Calvary Presbyterian Church is a small congregation in beautiful southwest Colorado. We are seeking a pastor to lead us in our spiritual journey through thoughtful and inspirational sermons, participation in Christian education activities, pastoral care, and community involvement. We hope to employ someone who is personable and would enjoy the advantages as well as the challenges of a small community.

A recent graduate would have the mentorship and patience of a warm established congregation, the collegiality of several area Presbyterian pastors and four season recreational opportunities. Calvary is an old historical church which just celebrated its 125th anniversary. We are a bedroom community for many families who work in nearby Durango, Colorado. The area is sought after by many because of the numerous outdoor activities, cultural and educational opportunities, fine restaurants and livability.

Calvary is offering a salary of \$45,000 (our presbytery's minimum for full-time) for part-time ministry. However an opportunity is available for a shared position with a neighboring church to create a full-time position. We are also willing to consider helping a candidate who might qualify for student loan assistance. A nicely renovated manse is available for a pastor's housing.

For more information concerning this opening please contact the CPC COM liaison, Suzy Meyer at asmeyer@beyondbb.com.
