

**ATS Reaffirmation of Accreditation
Timeline/Process**

Fall/Spring 2022

1. Review standards at monthly faculty/staff meeting.
 - December: Standards 1-2*
 - January: Standard 3*
 - February: Standards 4-5*
 - March: Standards 6-7*
 - April: Standards 8,9,10*
2. For each Standard/sub-standard
 - a. Take an inventory of current processes, structures, evidence.
 - b. Identify reports written for other agencies and data collected for other projects
 - c. Identify existing structures that might take on the specific work of the self-study process

Spring 2023

Appoint a steering committee, design the organizational structure for the study, develop the subcommittee structure and writing assignments, finalizes an overall timetable for the study, and asks for volunteers or appoints members to each subcommittee.

Fall 2023

Review assigned standards, gather evidence, engage in analysis, suggest recommendations, and begin drafting text.

Spring 2024

Review subcommittee reports and draft a cohesive self-study report that “speaks with one voice” and that meets Commission expectations. At the conclusion of the process, the governing body “receives” the report and authorizes its submission
