## Course Description

In Disciple Formation 2, the second course in a two semester series with IN521, students will define and discuss strategies and challenges for deepening intimacy with God in the midst of life and ministry, and in light of their formation as Christian disciples and ministers. Students will demonstrate their application of course content in their own lives and ministry through established methods of theological reflection, such as journaling; inquiry-based learning; and open and guided discussion in small groups, either online or residentially. Students will formulate a rule of life incorporating practices of discipleship and self-care, and reflect on the seasons of the Church year. **Disciple Formation 2 is required for Master of Divinity students. Prerequisite: IN521.**

## Course Requirements and Grading

The challenge in ministry and life is learning how to prioritize space for God and deepening intimacy with God—practices which are mostly invisible, unrewarded, and often, seemingly unnecessary. Regularly engaging the course materials and practices can build a habit of deepening intimacy with God. This course uses a *covenant grading* approach in order to focus on the *consistent* practice of spiritual disciplines over time, rather than making a judgment about the *quality* of practice. It gives you the choice and visible responsibility for completing course discipleship practices. All students will complete the common practices and commit to a path. Different seasons require different amounts and sets of practices. God loves you no matter what! Please decide which path you will be pursuing by January 18. You can change your path at any point in the semester.

### Common Practices for All Students:

- Designate an intentional time and place for listening and responding to God. *It is encouraged to use the work of this course as the practices for that time with God.*
- Regular engagement on-line for distance students or attendance in class for residential students. Please see attendance policy.
- Regular participation in a worshipping community as a worshipper; campus students - regular participation in UDTS prayer and chapel opportunities.
- Craft a *Rule of Life for Spring* (300 words), due **Monday, January 18**.
- **Complete all practices for week 2, due Monday, January 25.**
- Write two 300-word book summaries: *The Circle of Seasons* and *Working the Angles*, due **Friday, May 15**.
- Write a *Spring Semester Review* (300 words) due **Friday, May 15**.

**Assignment Policy:** If an assignment needs to be turned in late, please let me know the situation prior to the due date. My expectation: do the assignment “well enough” for the current circumstances you find yourself in. You have a lot of flexibility with the covenant grade model—you decide what weeks you want to complete and what weeks you want to take off. **Only the practices of Week Two and the common requirements are required of everyone.**

**Online Engagement Policy:** Lack of engagement online for three consecutive weeks will lead to a review.

**Residential Attendance Policy:** Students are building or deepening habits of completion and good communication while in seminary. Please gift your colleagues with your presence. We only meet 6 times residentially.

- Please contact me immediately if you must be absent due to illness, emergency, and prior unchangeable commitment. More than two absences will be reviewed on a case-by-case basis.
- The first unexcused residential absence--absent from 1 campus class meeting without notifying me through email or via phone call--will receive a warning; the second unexcused absence will reduce the course grade by one full grade letter. The third unexcused absence may lead to an administrative withdrawal.
